FOUNDING CONTINENTAL EDITION

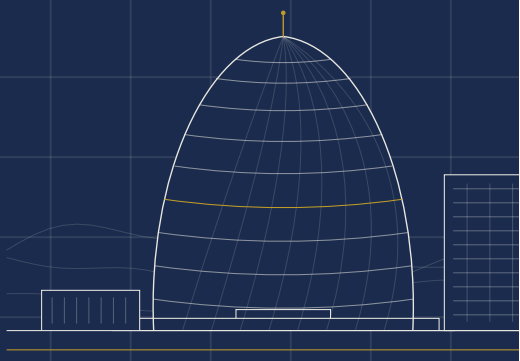

NPMTI AFRICA CONTINENTAL DELIVERY & TRANSFORMATION SUMMIT 2027

Africa's Delivery & Transformation Summit

Kigali, Rwanda · 20–22 October 2027

PROPOSED VENUE

Kigali Convention Centre, subject to formal venue confirmation

THE QUESTION THAT RUNS THROUGH ALL THREE DAYS

How do Africa's institutions consistently turn strategy, capital and projects into measurable value?

WHY THIS SUMMIT

Why now

Institutions carry more projects, capital and public expectation than ever. Plans and financing exist; what decides the result is the capability to govern, coordinate and finish the work.

Why Africa

Delivery capability is built country by country. NPMTI's national forums gather evidence close to the work; the Summit brings it together so that each country can learn from the others.

Why Kigali

Second in Africa for international association meetings in the ICCA 2024 rankings (Rwanda Convention Bureau), with a purpose-built convention centre, direct flights across the continent and visa on arrival for every nationality.

THE BUILD-UP: A YEAR OF EVIDENCE BEFORE KIGALI

Country evidence → Regional dialogue → Continental synthesis → Institutional action

1 Dec 2026	Country Delivery Forum · Douala
10 Dec 2026	Country Delivery Forum · Yaoundé

- Chief executives and chief operating officers
- PMO, programme and portfolio leaders
- Development finance institutions and development banks
- Infrastructure investors and project sponsors
- Transformation and strategy leaders
- Universities and research institutions
- Professional bodies
- Project leaders and senior practitioners
- Selected technology partners

RESEARCH FLAGSHIP

Africa Delivery & Transformation Outlook 2027

Continental Research & Practice Report · to be launched at the Summit

The Outlook is the Summit's written record: a continental synthesis of what institutions are learning about delivery. It draws on validated research, NPMTI forum evidence, institutional diagnostics (aggregated, anonymised and with consent), survey findings and expert contributions.

> Every finding in the Outlook carries its source class. We do not publish figures we have not verified.

PROJECT LEGACY AT KIGALI

- Africa Project Legacy Registry™ — **Opens at the Summit**
- Africa Project Legacy 1000™ — **Inaugural selection at the Summit**
- Project Stewardship Hall of Fame™ — **Inaugural honourees at the Summit**
- Africa Project Delivery Casebook™ — **First cases at the Summit**

A call for submissions will open in 2027: projects whose significant impact has lasted at least five years after completion, and the people who led them, in every sector and region. Submitting is free and attending is not a condition. Nothing can be bought, nothing is published without consent, and there is no ranking.

HOW TO TAKE PART

npmti.global/summits/continental-2027

Register interest

Two minutes. We write to you when registration opens, with fees and the full programme.

Propose evidence for the Outlook, or nominate a speaker or expert.

Scan for the Summit page

Continental partnerships: Founding Continental Partner · Strategic Continental Partner · Sector Transformation Partner · Knowledge & Research Partner · Country Delegation Partner · Project Leadership & Talent Partner · Technology & Intelligence Partner · Hospitality & Mobility Partner · Media Partner

WHAT "FOUNDING" MEANS

2027 is the first continental edition of an annual NPMTI Summit. Institutions that take part in it, as partners, delegations, research contributors or delegates, are acknowledged as founding participants of the continental series.

> Partnership never buys influence over a research finding, an honour, an assessment outcome or a certification.

NPMTI Africa™ is an independent initiative. It is not a government programme and carries no public mandate. NPMTI does not award PMI certifications. NPMTI™ and the other names marked ™ are trademarks of Paraklete Consulting Inc. SARL, which hosts and administers NPMTI. Programme content is indicative and may change; the Summit page carries the current version.
